Oil Country Tubular Goods From Mexico; Notice of Termination of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of termination of antidumping duty administrative review.

EFFECTIVE DATE: April 21, 1997.

SUMMARY: On September 17, 1996, the Department of Commerce ("the Department") published in the **Federal Register** (61 FR 48882) a notice announcing the initiation of an administrative review of the antidumping duty order on Oil Country Tubular Goods ("OCTG") from Mexico. This review covered the periods August 11, 1995 through July 31, 1996 for Drill Pipe and June 28, 1995 through July 31, 1996 for OCTG Other Than Drill Pipe. This review has now been terminated as a result of the withdrawal of the request for administrative review by the petitioners and the absence of entries into the U.S. of subject merchandise during the period of review by the only remaining party requesting review.

FOR FURTHER INFORMATION CONTACT: Samantha Denenberg or Linda Ludwig, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, D.C. 20230; telephone (202) 482-0413 or 482-3833, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 29, 1996, Hylsa S.A. de C.V. ("Hylsa") requested a review of its sales. Additionally, petitioners requested a review of Tubos de Acero de Mexico, S.H. On October 4, 1996 and October 16, 1996 TAMSA and TUNA respectively filed letters certifying to the Department that they did not export any subject merchandise that was entered for consumption into the United States during the period of review (POR). The Department sent no-shipment inquiries regarding TAMSA and TUNA to U.S. Customs on October 28, 1996. Customs did not indicate that there were any such entries. On December 9, 1996, Hylsa filed its response to sections B and C of the Department's questionnaire for the 1995-96 review. On December 10, 1996, petitioners withdrew their review request as to all Mexican producers of OCTG, including Hylsa. On December 18, petitioners pointed out that Hylsa's December 9 questionnaire response disclosed for the first time the fact that Hylsa had no customs entries of OCTG during the POR. Hylsa has knowledge of entry dates of subject merchandise. Petitioners requested that the
